

We're seeking 14-20 year olds who have stayed in mental health inpatient settings

**We want to talk to children and young people
across England who have lived experience as
service users of CAMHS inpatient units.**

**This will directly feed into the NHS England
Taskforce on improving Children & Young People's
Mental Health Inpatient Settings.**

**If you take part you'll be able to claim a
payment to say thank you for spending time
giving your feedback.**
